EDUCATION

Queen Mary University of London / Sept 2019 - Present

BSc (Hons): Computer Science

King Edward VI Grammar School / 2010 - 2017

A Levels: Biology (B), Chemistry (B), Maths (B)

Level 3 EPQ: A*

GCSEs: 7 A*s including Maths and English Literature (100% UMS), 7As including Economics

WORK EXPERIENCE

Audit Associate (EY) / SEPT 2018 - AUG 2019

Canary Wharf, London

- Developed my skills in analytical problem solving and critical thinking through complex data synthesis and preparation of detailed financial statement reports
- Communicated effectively and worked closely with team members and client personnel. Exposure to a variety of clients improved my workplace flexibility and interpersonal skills
- Identified and assessed varying levels of risk and provided the client with financial advice

Consumer Electronics Company (Skylark Electronics) / OCT 2017 - AUG 2018

London

Founder + CEO

- Used market analysis and branding to identify and develop a unique product line. Maintained good supply chain management to satisfy consumer needs
- Successfully used search media optimisation and social media marketing to sell products to target audience through Amazon
- Assessed customer feedback to improve quality management and maximise satisfaction

Software Engineering Intern (Profit Phoenix) / AUG 2017 - SEPT 2017

Downtown Dubai

- Interned at a SAAS (software as a service) business where I gained an understanding of Cloud Computing with AWS and how teams work together using Agile Development
- Shadowed senior programmers and gained first-hand experience of PHP and Javascript and their applications within a large international organisation.

Editor-In-Chief of KEGS Ambassador (School newspaper) / SEPT 2016 - JULY 2017

Chelmsford, Essex

- Oversaw and single-handedly managed a team of 15, implementing a new product strategy spanning the calendar school year

SKILLS AND HOBBIES

Volunteering:

- Library Coding Club: Head of a Coding Society, where I taught younger students HTML, C++ and Python
- Kenya School Trip: Spent 2 weeks in an orphanage and school, preparing lesson plans to teach to classes ranging from Year 3 to Year 13
- Old Age Home: Served food to the elderly on a weekly basis

Computer skills: Django Python, Java, HTML, Amazon PPC, Google & Facebook Ads, Basic SEO

Languages: English (fluent), French (basic), Tamil (basic)

Musical Proficiency: Piano (Grade 6), Guitar (Grade 3)

Sport: Ninjutsu & Jujutsu (both Grade 4), Chadwell Heath Tennis Club member
